Spencer Gibb is an award-winning musician, photographer and actor. Raised in London and New York City, he quickly fell into his father's (Robin Gibb of the Bee Gees) footsteps and began performing at age 14.

After fronting the critically acclaimed rock band 54 Seconds for many years, he is now a solo artist.

"Let's Start Over" which was co-produced by Aaron Frescas, features vocalist Kasi Painter as well as orchestral arrangements by Ludek Drizhal for The Czech National Symphony Orchestra, is his latest release. ---spencergibb.com
