- 14 Song Intro*
- 15 Neighborhood Girls*
- 16 Gypsy (Encore)*

Suzanne Vega
The Speakeasy
New York, NY
April 17, 1985

Live at the Speakeasy is an interesting snapshot of the young Suzanne Vega. Recorded in 1985, at the time her eponymous debut album was released, it's a stripped back solo performance - just vocals and guitar.

As her debut album was pretty musically sparse anyway, this isn't a problem - indeed the intimate nature of the performance is the perfect fit for this collection of tracks. During the gig she performed all ten songs from the Suzanne Vega album, as well as "Gypsy" and "Tom's Diner", both which would appear on her next album, Solitude Standing, released in 1987.
