The 2011 Barenaked Ladies compilation *Hits from Yesterday & the Day Before* compiles most of the hits and best-known cuts from the band's catalog. Beginning with the band's 1992 full-length debut, *Gordon*, and continuing all the way through to the group's 2011 post-Steven Page release, *All in Good Time*, *Hits* features such popular cuts as "If I Had \$1,000,000," "Brian Wilson," "Too Little Too Late," "Falling for the First Time," "One Week," "Easy," and more. Certainly, die-hard fans will miss such lesser-known tracks as "Be My Yoko Ono" and "Jane." In that sense, 2001's fan-voted anthology *Disc One: All Their Greatest Hits (1991-2001)* did a better job of including everything from a longtime fan perspective. Nonetheless, *Hits from Yesterday & the Day Before* still works as a nice single-disc summation of the Canadian rock band's career. ---Matt Collar, AllMusic Review

"Bang Theory", znanego z komediowego sitcomu o takim tytule, nakręcono specjalny filmik. Widać w nim aktorów (min. Johnny Galecki, Jim Parsons). Specjalna wersja wydawnictwa zawiera dodatkowy dysk, nazwany "Stop Us If You've Heard This One Before", który wypełniły rarytasy, tzw. strony B singli. --- warnermusic.pl
