Slovenly Recordings is proud to present the debut full-length LP from Italian freakbeat swamis SULTAN BATHERY! A swirling, exotic blend of smoky, reverb soaked psychedelic garage-pop handcrafted in a fur-lined diamond mine, this self-titled album explosively expounds upon the complex yet catchy dynamics of their 2012 “Fireworx” EP. Euphoric waves of stomping subterranean rock’n’roll throb through your being on “Satellite,” and stinging fuzz lines cut through the pulsating fringe of your bubbly fudge mynd on “Flowers of Evil” and “Dead Leaves.” This is the raging, hyper-electric trip previously only available in ten strips and micro-dots, finally and fully realized on a hallucinatory bud of dark wax. --- slovenly.bandcamp.com
