Heavily influenced by bands such as Motley Crue, Halestorm, Royal Bliss, Black Stone Cherry, Black Sabbath, AC/DC, and more, ZamTrip is an energetic band with a signature sound that will leave you wanting more – guaranteed!

ZamTrip has shared the stage with the Grammy Award winning rock band Halestorm. They have also been lucky enough to play with national acts like Royal Bliss and The Silent Comedy. By the end of the 2014 year, ZamTrip performed shows with American Hitmen, October Rage, Ron Keel, Lita Ford, Vince Neil, Blue Oyster Cult, April Wine, Slaughter, Firehouse and a slew of vintage and local acts well worthy of mention. The band, with members still attending high school, released their debut album titled “Harm and Destruction” in May of 2013, and on April 7th of 2014 released two brand new singles – the low, growling “All Your Days Have Ended,” and the highly anticipated local KSIT Rock 99.7 radio hit “Back Seat Love Song.” Both singles are still in regular rotation at several stations.

Kyle Zampedri, the oldest of the three brothers, is the band's lead guitarist, whose blues-based background gives ZamTrip their raw, unique and uncut sound. Drummer Cory Zampedri has a crushing backbeat that drives the band steadily and precisely through their pumping, energizing live set. Cody Zampedri displays multiple talents, both as a solid, stylistic bassist who tightens up the rhythm section with his hard driving bass lines, and as a vocal backup – and sometimes lead – on many of their songs. Samantha Newman is ZamTrip's stunning lead vocalist, with her influences ranging from Lzzy Hale and Amy Lee to Pat Benetar - she is the perfect addition to

the group, giving the four-piece a fresh blended sound and a gutsy edge that's crisp, clear and concise.

The band's sophomore release, titled "King's Game," was recorded in April, 2015 with legendary Tom Parham at Hit Track Recording Studios in Cedar City, UT. Hit Track had a comfortable recording atmosphere for Kyle, Cody, Cory and Sam. "We were able to get a lot of work done in a short amount of time," says Kyle. "Tom was great and is amazing at what he does – he really knows his stuff. He also worked with us by putting his suggestions into each song. It was great to be able to have his knowledge when we hit the studio – we are very pleased with the new album." ZamTrip powerhoused a nine-song package of sleek, pure, hard rock'n'roll in only two weekends that encompasses their best artistry to date and completely echoes the energy of their live show. "King's Game" is slated for release on June 19, 2015.

ZamTrip's main goal is to share their own special brand of rock and roll – the music that runs in their blood - with the rest of the world and their fans. --- zamtriprocks.com
