You get a lot of bang for your buck on this budget-priced, two-disc collection of Carl Perkins's music. Perkins was one of the founding fathers of rockabilly, and one of its most skilled practitioners as both singer and guitarist. THE FABULOUS CARL PERKINS offers 40 of his finest tunes, including the original rockabilly anthem "Blue Suede Shoes," the iconic "Honey Don't" and "Everybody's Trying To Be My Baby"--both later covered by the Beatles--and a wealth of others, riding that fine line between country, blues, and early rock & roll as only Perkins could. ---Jim Allen, AllMusic Review
