14. *Muddy Waters - Fourty Days and Fourty Nights (Morgan/Field) (2:49)*

15. *John Lee Hooker - I'm in the Mood (Hooker/Taud) (2:40)*

16. *B.B. King - The Thrill is Gone (Hawkins/Darnell) (4:51)*

[play](#)

Its a great collection of masters no doubt, particularly Muddy Waters and Otis Sann and Willie Dixon, appearing true to form. The black and white recordings adds to the period effect and the sound is incredibly well restored. Listening and watching these masters deliver their masterpieces tells you a lot about how this amazing genre of music has stood the test of time.
