Fleetwood Mac - Black Magic Woman (Live) 14. Big Bill Broonzy - St. Louis Blues 15. Jimmy Page, Eric Clapton & The Immediate All Stars - Freight Loader 16. John Mayall & The Bluesbreakers - Telephone Blues

I like this CD very much. There are different kinds of blues from just one guitar to bands playing the blues. The Fleetwood Mac numbers are live recordings - but it's okay for me although I normally seek the original recordings. I just wanted blues music and I got it. --- Kaj Erik Madsen, amazon.com
