Jim Adams - Don't Step on My Rhythm & Blues (2016)

1. Born Under a Good Sign 2. Not Your Back Door Man 3. James Earl 4. The Not So Hot Friday Blues 5. The Story of Ten 6. Some Say the Blues 7. Roll With the Punches 8. Long Gone Hound Dog Blues 9. Jean-Paul Sartre Said 10. You're Late

Hailing from Austin, Texas, Jim Adams is a talented and driven artist with a unique approach to his blend of music.

His multi-genre vision features elements as diverse as vintage rock & roll, blues, Americana and even hip-hop...anything goes as long as passion is involved. Jim doesn't see genres as limitations, but as flavours and tools to spice up a track and give it a special personality.

His music is all about connecting with listeners through catchy grooves, uplifting melodies, and thought-provoking lyrics, not unlike influential performers such as Chuck Berry, Leonard Cohen or Bob Dylan, just to mention a few. ---cdbaby.com
