My name is Michael Schau and welcome to my tunes. I have uploaded a variety of tunes to showcase my abilities over several styles. All songs were written by me and all instruments were performed and mixed by me in my home studio. I have been playing guitar for more than 40 years and playing professionally for 30.

I am an independent Juno nominated guitarist/vocalist/artist from Vancouver B.C., Canada. I have shared the stage with Taj Mahal and Otis Rush to name a couple. I am absolutely passionate about music. ---Michael Schau
