## Paco De Lucia y Ramon Algeciras - 12 Hits Para 2 Guitarras Flamencas (1969)

1. *Pescadores de Perlas* - Paco de Lucía, Bizet
  2. *Tango de la Rosa* - Paco de Lucía, Bottero
  3. *Si No Me More* - Paco de Lucía, Geruni
  4. *El Amor de Laura* - Paco de Lucía, Folklore
  5. *La Luna Sobre las Ruinas del Castillo* - Paco de Lucía, Shindo, Tak
  6. *Celos* - Paco de Lucía, Gade, Jacob
  7. *La Virgen de la Macarena* - Paco de Lucía, Bautista
  8. *Que Será Será* - Paco de Lucía, Evans
  9. *Yo Que No Vivo Sin Tí* - Paco de Lucía, Donaggio
  10. *Reserva el Último Baile Para Mí* - Paco de Lucía, Hirsch
  11. *Bésame Mucho* - Paco de Lucía, Skylar
  12. *Perfidia* - Paco de Lucía, Dominguez
- Paco de Lucía – Flamenco guitar Ramón de Algeciras – Flamenco guitar

Having to record this pot-boiler must have felt to Paco and Ramón like Leonardo would have felt had he been forced to paint by numbers. But how you feel about it will depend very much on what sort of music you're looking for. If you want an album of impeccably played Latin (and other) standards, backed by goeey strings, then this will suit you perfectly. If, on the other hand, you're misled by the names of two of the best guitarists of their generation into thinking that this has something to do with Flamenco, then you're in the wrong place. Note the glazed expressions in the photograph, and how Paco can't resist sneaking a bit of alegrías into the introduction of "Save the Last Dance for Me", just to relieve the boredom. ---Paul Magnussem, amazon.com
