Vanessa Carlton - Icon: Best of Vanessa Carlton (2011)

01. *A Thousand Miles*
02. *Ordinary Day*
03. *White Houses*
04. *Heroes & Thieves*
05. *Nolita Fairytale*
06. *Who's to Say*
07. *Home*
08. *San Francisco*
09. *Pretty Baby* [play](#)
10. *Hands On Me*

There are a lot of people who have read what I have said about the career of Vanessa Carlton and thought that I was not fond of her music. This is not quite true. This album represents probably the best possible sort of place to find Vanessa Carlton's work, which has been nothing if not uneven. Vanessa Carlton has made some fantastic music—some of it, like her singles from *Rabbits On The Run*, are not even included here—but she has never made an album that can be enjoyed thoroughly all the way through. So, since she has made some great singles, it would make sense that her major label would release this best of collection for those who are fans of her more familiar work and not necessarily fans of her deeper album tracks. In short, this album was made with people like me in mind, for whom most of the songs are familiar and remembered fondly. ---edgeinducedcohesion.blog
