Big Bopper - *Chantilly Lace* 20. Laurie London - *He's Got The Whole World In His Hands*

The 1950s marked the birth of rock'n'roll. From big band tracks to jazz standards, until midway through the 20th century, music was a resolutely parent-friendly zone. But then everything changed. Elvis had flustered teenagers all shook up, while the likes of Chuck Berry, Jerry Lee Lewis and the like were destroying the old safety nets with a virile, passionate new sound.
