4 Festival, Ludinghausen, Germany 21.8.09

Area 4 premiered in 2005 at König-Pilsener-ARENA in Oberhausen with over 10,000 festival goers. In 2006 the festival took a creative break to come back in 2007 bigger, better and louder! The three day festival is now based at the more beautiful surroundings of the airport Borkenberge in Lüdinghausen. Lüdinghausen is situated between Dortmund and Münster.

Deftones are an American alternative metal band from Sacramento, California, founded in 1988. They have released six albums to date, with three Platinum (Adrenaline, White Pony, Around the Fur) and one Gold certification (Deftones). Their most recent studio album, Diamond Eyes, was released in spring of 2010. Though initially rooted in heavy metal, Deftones have always claimed diverse influences, with their musical style diversifying over their career. Their sound has been described as alternative metal, art rock, dream pop, experimental rock, nu metal, post-grunge, post-hardcore, progressive rock, drone rock, metalgaze or post-metal, psychedelic rock, and rap metal.
