Onyx Eyes is a progressive metal band from Chemnitz, Germany. The band formed in late 2005, when Ines, Sören, and Josch left their previous band over musical differences and the line-up was complete by the beginning of 2006.

In 2008, the band released their debut album "Delights and Tears" on FireZone Records/Black Rain Media.

Onyx Eyes are heavily influenced with the ambient qualities of Gothic Metal and focus on melody and compositions. They feature clean vocals of Ines and Denis, create ambient soundscapes with intriguing nuances and flourishes. They are recommended for fans of THE GATHERING, LEAVES EYES, TRISTANIA, and gothic metal. They were approved by the Prog Metal Team and are highly recommended. ---progarchives.com
